EMUiNVENT FAQs

What is EMUiNVENT?

Eastern Michigan University is partnering with the Henry Ford's Invention Convention Worldwide to provide students in grades 3-12 with an interactive and interdisciplinary opportunity to use the invention process to create and pitch an original product at a regional convention. Eastern Michigan University is partnering with the Henry Ford's Invention Convention Worldwide to provide.

Have you built from Legos? Then you will love this! Identify a problem around you, record your steps as you solve it, build a model that solves the problem and demonstrate it on March 12, 2021 @EMUiNVENT 2021. Big rewards are waiting for the doers!

When and Where?

EMUiNVENT is the regional convention leading up to the Invention Convention Michigan and the National Invention Convention. The competition will be held on March 12, 2021.

Why EMUiNVENT?

By helping the students convert an idea into a product we hope to provide a platform to build students' critical thinking and entrepreneurial skills. Students' inventions can win big awards at EMUiNVENT on March 12, 2021. The winners in the regionals will participate in the Invention Convention Michigan in April, 2021, organized by The Henry Ford.

How will EMU help?

EMU will hold training sessions:

- For teachers who want to lead teams from their class/school.
- For students with ideas in different stages. EMU will connect the students with mentors and trainers to guide them every step in the process.
